Average Price Per kWh	13.1 ¢	13.3 ¢	13.4 ¢

This price disclosure for electric service is an example that is calculated utilizing the following price components:

<b>Fanfare’s Energy Charge</b>	7.54¢	Per kWh (¢)
<b>Smart Thermostat Credit</b>	\$10.00	Per Billing Cycle
<b>Auto Pay &amp; Paperless Credit</b>	\$5.00	Per Billing Cycle
<b>TDU Delivery Charges</b>	\$3.21	Per Month
	5.905000¢	Per kWh (¢)

The TDU Charges on this EFL reflect the delivery charges that your TDU is currently charging to Residential meter customers; these TDU charges do not reflect your TDU charges if you a non-Residential meter customer. TDU Delivery Charges (i) include all recurring charges from your TDU, (ii) can be changed by your TDU at any time, and (iii) are passed through to you without-mark-up. This price disclosure is an example based on average prices—your average price for electricity service will vary according to your usage. The average prices shown above do not include state and local sales taxes. Any non-recurring fees from the TDU will be passed through to you without mark-up. Some areas subject to a TDU underground Facilities and Cost Recovery Charge authorized by the city that is not included in the price above.

The price you pay each month will consist of the Base Charge (if applicable), Energy Charge, and TDU Delivery Charges, less the *Smart Thermostat Credit* and *Auto Pay & Paperless Credit*, if applicable. Failure to enroll an eligible thermostat, and/or opting out of more than [2] program events in a billing period will result in forfeiture of the Smart Thermostat Credit for that billing period. The Smart Thermostat Credit may be prorated for any days in the billing period during which any enrolled Thermostat is not connected or is not transmitting information to Fanfare Energy for 8 or more hours.

The Auto Pay & Paperless Communications credit will not be applied to any billing cycle in which one of the following occur: (1) you opt out of (or otherwise cause to stop) Auto Pay or Paperless Communications; (2) you fail to maintain a valid email address on file, or (3) your most recent invoice becomes overdue because of Auto Pay failure caused by either a lack of funds or incorrect payment information. You will remain eligible to receive the Auto Pay & Paperless Communications Credit even if you ask Fanfare to send you a physical copy of your bill via regular mail, which you may do at any time by contacting Fanfare’s customer service team.
